

**Indian Institute of Information Technology, Design & Manufacturing (IIITDM)**  
**Kancheepuram, Chennai-600127**

**CIRCULAR**

**29/7/2019**

This is to bring to the kind notice of all students, staff and faculty members of the constitution of the **Anti Ragging Committee (ARC) and Anti Ragging Squad (ARS)** of the Institute to formulate / implement the Anti Ragging Guidelines issued by the Government bodies. All senior students are directed **not to indulge in any form of ragging of students**. Any student of the institute who is found to be involved in ragging / in violation of the Anti Ragging Guidelines will be subject to strict action, inclusive of summary dismissal from the programme of study. It is hereby highlighted that Anti Ragging Laws of the country presume the accused to be guilty and the onus of proving his/her innocence lies on the accused and not on the complainant. (This is to curb the menace of Ragging which in the past have lead to fatal situations.)

Any complaint brought to the notice of the committee / squad would remain confidential and the identity of the complainant would be kept anonymous. Staff and Faculty Members may also kindly note that they are welcome to inform the ARC/ARS members in case of any instances of ragging in the institute premises or outside which they become aware of and the ARC would take appropriate action. The ARC would broadly formulate the guidelines to be adopted to curb ragging while ARS would help in conducting surprise visits / checks suiting their academic / administrative duty schedule at Hostels, Institute premises such as Lecture Halls, Dining Halls, etc. to instil confidence amongst the first year students and keep a check on any ragging activity. ARC members would also augment the ARS in surprise checks to increase the vigil.

It is requested of Senior Students to help the institute in providing a smooth transition and ambience to the freshers to settle down in the campus.
